Dear Parent/Guardian:

On Wednesday, while on the way to school, a student was approached by a stranger. The student's family notified the school of this incident late Wednesday afternoon, and the Burnaby RCMP are currently investigating.

Student and staff safety is always our priority. The Burnaby RCMP have had extra patrols out in the community, particularly during the times when students are travelling to and from school, and staff are reminding students of the importance of staying on safe public routes and the other safety precautions below.

It is always helpful if children hear these same messages from their parents, and we would appreciate it if you would take some time to review with your children these safety precautions.

- o Tell an adult immediately if you encounter someone or something that makes you worry or feel uncomfortable.
- o Stay with friends. Don't travel alone.
- o Always stay in well-supervised areas.
- o Call 911 in the event of an emergency.

If you have any information that will help police, please contact the Burnaby RCMP at 604-294-7922.

Thank you for your support in helping to keep our school community safe.

Sincerely,

Anthony Yam  
Principal
